

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter consist of two parts, they are conclusion and suggestion. Conclusion explain a series of sentences from the previous description while the opinion expressed explain suggestion for further consideration.

5.1. Conclusion

The researcher analyzes the romantic meaning exist in Khalil Gibran poetry. All those word and sentences that exist and could become the data would be analyzed. This research is used heremeneutical approach because hermeneutics in literary explanation is needed in interpreting an event related to the meaning of the text, as well as language. So with hermeneutics, will get a deep meaning toward the research that has been done.

The researcher analyzes also used intrinsic element belong to Mario Klarer that could help this research to be better. The finding of romantic meaning exist on 7 Khalil Gibran poetry certainly related toward the life of Khalil Gibran during he become a poets. It is also proven by the existance af Khalil Gibran Biography. This research also make the different considerition about the meaning of each poetry exist. Because the changing of meaning always run dynimic over the time. And that different meaning is based on the perceptions of knowledge and experience of each reader, the reader environment factor, the perspective or dimension of the reader's interest, and other things derived from the extrinsic factor.

5.2 Suggestion

Poetry is an important genre exist in literary study. By researching and analyzing about that make the development of literary study become more develop. On this case, it must be done to appreciate the literary work exist. This research also becoming the reflection of each reader or researcher remembering the Khalil Gibran story and his poetry

On the poetry exist on this research also giving much suggestion and benifician toward the reader. Because most of the poetry is told about how you face the life. Even you fall, you sould not giving up. Try to make it till you get what you want. And also the meaning that is implicit still could be changed depends on the researcher that want to analyzed more about this case.

This study could benefit to the next research that want to discuss about analyzing poetry. Because, the analyzing of poetry especially in english poetry is really seldom. So that, hopefully, this research could make the soul of poetry's lover become interest to study about the poetry.
