Greetings and always happy for Prof. Andrey Melkof.

Previously, I thank you for the kindness of Prof. Andrey Melkof to me, to visit the "Studia Humanitatis" Editorial Board in your country. Considering my condition, with my old age, my health condition is not excellent, besides the ability to speak imperfect English with forced I have not been able to visit the "Studia Humanitatis" Editorial Board.

For the second offer, as a member of the Team from Indonesia, I am willing if you are Prof. Andrey Melkof accepts me as I am. I only have the ability in the field of law in Indonesia, English can only be in writing and if the conversation is still not fluent, because I rarely use English in everyday life.

And once again I thank Prof. Andrey Melkov for his kindness to me, and may God provide the best way for us all. Amen Thank you; azis setyagama
