Healthy greetings always for the esteemed brother Baskaran Parasuraman

Actually the article entitled: Government policy in regulating the environment for development of a sustainable environment in Indonesia, I am Azis Setyagama as the author of the article, which was later transferred to Yahman Aldi's brother by Jonaedi Efendi as the first author, and I am the second author even though it is the result of research I. And now I will be replaced or changed to be the second writer Jonaedi Efendi.

I as the author of the article object if I am not included in the article and will be replaced with Jonaedi Efendi's brother. And this does not respect the real me as the author of the article. And my hope, that the second author remains my name.

Thank you for your concern for me, and always be healthy and prosperous. SenderAzis Setyagama
