

CHAPTER IV

ANALYSIS AND FINDINGS

4.1 Analysis of the Types of Deixis in the speech “Never, Ever, Give Up” by Donald Trump

This chapter proves research analysis and finding about Deixis in the speech "Never, Ever, Give Up" by Donald Trump. The core purpose of this chapter is answering the questions based on the problems that have been written in the chapter I. Finally, this study found that Donald Trump tend to use such types of Deixis include Person Deixis, Time Deixis, Place Deixis, Social Deixis, and Discourse Deixis in the Speech "Never, Ever, Give Up" by Donald Trump.

In this speech there are 240 utterances and as many as 236 utterances there are Deixis words from the five types of Deixis. 194 utterances were found using Person Deixis, 90 utterances using Place Deixis, 43 utterances using Time Deixis, 12 utterances using Social Deixis and the last 26 utterances found using Discourse Deixis. So that in this speech there are a total of 558 utterances that use the word Deixis according to the type of Deixis.

After collecting the data, the types of Deixis in the Speech "Never, Ever, Give Up" by Donald Trump are classified based on the types of Deixis. This study finds that Person Deixis, Time Deixis, Place Deixis, Social Deixis and Discourse Deixis occur in the speech. The detail explanation will be presented in the following :

4.1.1 Person Deixis

Person Deixis concerns with the encoding of the role of participants in the speech even in which the utterance in question is delivered. Although Person

Deixis is reflected directly in the grammatical categories of person, it may be argued that we need to develop an independent pragmatic framework of participant roles, so we can see how and to what extent these roles are grammatical in different languages.

A. First Person Deixis

The First Person Deixis is Deixis reference that refers to the speaker, or both the speaker and referents grouped with the speaker. First Person Deixis is grammaticalization of the speakers reference to himself. In his "Never, Ever, Give Up" speech, Donald Trump uses First Person Deixis such as "I, We, Us, Our, My, and Me".

And I'm thrilled to be back at Liberty University. (Utterance 5)

After greetings, Donald Trump then give a speech at the class of 2017 celebrating graduation at Liberty University. When Donald Trump said this utterance, gesture from him is very confident and with smile who showing that he is proud can giving speech in there.

The word "I" as a subject as the first singular person,in the utterance above refers to the speaker or President Donald Trump (Utterance 5)

I've been here, this is my third time. (Utterance 6)

The word "My" is a possessive plural pronoun referring to Donald Trump's time, the number of times Donald Trump visited Liberty University (Utterance 6).

And we love setting records, right? (Utterance 7)

The use of "We" in the utterance refers to Donald Trump and audience, "We" as Deixis in first person -plural subject pronoun. (Utterance 7)

Let me also extend our appreciation to the entire Falwell family, Trey, Sarah, Wesley, Laura and Caroline (Utterance 19)

Donald Trump said that he appreciated some of the people who made an impact at the graduation ceremony and Liberty University. When Donald Trump said that utterance, gesture from he is emphasize that he is very appreciate on everything Falwell family doing to help be succes at Liberty University Graduation especial at class of 2017.

The use of "Our" as the first plural person here refers to people who give impact at Liberty University especially to Falwell family. (Utterance 19)

That is why our elected official put their hands on the Bible and say "So help me God" as they take the oath of office. (Utterance 61)

Donald Trump tells the audience at Liberty University that God plays a role in action and success. When Donald Trump said that utterance he is emotional and showing if a person like Donald Trump also include God in his life and from God he get situation succesful like this. Donald Trump also emphasizes all of person in the government ask helping from God to doing administration.

The word "Me" as the first singular person here refers to elected official take the oath of office. (Utterance 61)

B. Second Person Deixis

The Second Person Deixis is the encoding of the speaker's reference to one or more addressees. In this speech, Donald Trump also found the use of Second Person Deixis like "You, Yourself, Your".

This is your day and you've earned every minute of it. (Utterance 4)

After greetings, Donald Trump then give a speech at the class of 2017 celebrating graduation at Liberty University. When Donald Trump said this utterance, gesture from him is very confident and with smile who showing that he is proud can giving speech in there.

The word "You" as second singular person in the utterance above refers to the audience, emphasizing that today is your day, the day of the audience (Utterance 4).

Its been a little over a year since I've spoken on your beautiful campus and so much has changed. (Utterance 9)

Donald Trump said that Liberty University had changed a lot since he last gave a speech there. When he is said that utterance Donald Trump sometimes observe and look to the right and to the left with smile. When he said that, Donald Trump seemed proud of the changes that had been made at Liberty University now.

The word "Your" here refers to campus where the audience gets education (Utterance 9).

Carry yourself with dignity and pride. (Utterance 138)

Donald Trump give more motivation and support to class of 2017 at Liberty University. At this moment Donald Trump looks serious, really wants everyone to appreciate the abilities that exist in each of them. The gesture from Donald Trump by looking expectantly at the audience and speaking slowly but firmly is in the hope that the audience can truly accept and apply this motivation.

The word "Yourself" as second plural second refers to the self of the audience and explain that Liberty University audiences should carry themselves with dignity and pride (Utterance 138).

C. Third Person Deixis

Third Person Deixis is the encoding of reference to persons and entities which are neither speaker nor addressee of the utterance. Familiar ways in which such participantroles are encoded in language are of course the pronouns and their associated predicate agreements. In the word, Third Person Deixis is reference to a referent which is not identified as the speaker or addressee. Donald Trump also found the use of Third Person Deixis in this speech like "They, Them, He, She, Him, Its, Their, His".

They're your parents and your grandparents , dont forget them. (Utterance 25)

The gesture from Donald Trump at this time is to speak with confidence. A Donald Trump seriously conveys that the role of the family is very important and the success that students of 2017 are getting at this time is because of the support from the family, Donald Trump reminded the 2017 Liberty University graduates who were the people who contributed to them, especially their parents.

The word "They"as third person for the plural possessive pronoun in the utterance above refers to them, namely parents and grandparents of the audience (Utterance 25).

You haven't forgotten yet, have you? Never, ever forget them, they're great (Utterance 26)

Donald Trump speak about all parents from student especially class of 2017 at Liberty University. When Donald Trump said this utterance he looks confident, calm and seriously, Donald Trump said that like that with the goals audience give attention to him.

The word "Them" as third person for plural possessive pronoun here refers to all parents from student class of 2017 at Liberty University (Utterance 26).

And we got it (Utterance 13)

Spoken with a firm pronunciation and then Donald Trump also raised one index finger to create the impression that dreams and success can really be achieved after graduating from the 2017 class. Donald Trump also talks about God's participation in all the success we will achieve.

The word "It" refers to totally brilliant future because refers to things that have been mentioned earlier (Utterance 13).

We're also deeply honored to be joined by some of the nearly 6000 service members, military veterans and military spouses who are receiving their diplomas today (Utterance 32)

Donald Trump expressed his gratitude for the cooperation of the military who helped secure the event that day. Said firmly and gave a smile Donald Trump also nodded his head a sign that he really appreciated the performance of members of the military who were tasked with maintaining security that day.

The word "Their" as third person for the plural possessive pronoun here refers to all people who attended the Liberty University graduation ceremony that day (Utterance 32).

In fact, Vice President Mike Pence is there today doing a fabulous job, as he always does. (Utterance 89).

Donald Trump talks about how campuses developed and the role of President Mike Pence to this day. When he said this utterance, Donald Trump looked enthusiastic and full of smiles which indicated that he admired a figure named

Mike Pence, especially Mike Pence gave a lot of influence and changes to Liberty University.

The word "He" in the above utterance refers to the pronoun of Vice President Mike Pence, where to this day he continues to do extraordinary things (Line 89).

I want to thank President Jerry Falwell and his incredible wife, Becky. (Utterance 18)

Donald Trump would like to thank President Jerry Falwell for his incredible support and friendship with a facial gesture that gives a smile.

The word "His" in the utterance above refers to pronoun of President Jerry Falwell, a pronoun for President Jerry Falwell (Utterance 18).

Furthermore, the repetition and use Deixis Person by Donald Trump can be seen from the table provided below.

Table 4.1 Deixis Person in the speech “Never, Ever, Give Up” by Donald Trump.

No	Types of Deixis	Deixis Word	Frequency
1	First Person Deixis	I We Us Our My Me	71 40 2 13 3 5
2	Second Person Deixis	You Yourself Your	129 4 40
3	Third Person Deixis	They Them He She Him Its Their His	27 4 29 1 3 51 10 14
Total			447

It is known from the table that in his "Never, Ever, Give Up" speech, Donald Trump used all First Person Deixis and made several repetitions of using First Person Deixis such as using Deixis "I" 72 times, Deixis "We" 40 times, Deixis "Us" 2 times, Deixis "Our" 13 times, Deixis "My" 3 times and Deixis "Me" were used 5 times in delivering the "Never, Ever, Give Up" speech at Liberty University.

It is known from the table that in his "Never, Ever, Give Up" speech, Donald Trump used Second Person Deixis and made several repetitions of using Second Person Deixis such as using Deixis "You" 129 times, Deixis "Yourself" 4 times, and Deixis "Your" 40 times.

It is known from the table that in his "Never, Ever, Give Up" speech, Donald Trump used a lot of Third Person Deixis and made several repetitions of using Third Person Deixis such as using Deixis "They" 27 times, Deixis "Them" 4 times, Deixis "He" 29 times, Deixis "She" was used once, Deixis "Him" was used 3 times, Deixis "Its" was used 51 times, Deixis "Their" was used 10 times and Deixis "His" was used 14 times in his "Never, Ever, Give Up" speech at Liberty University.

From table, we can see that in the speech "Never, Ever, Give Up" have include three types Person Deixis (First Person Deixis, Second Person Deixis and Third Person Deixis). This study found 17 Deixis words that include personal and followed by 6 words as Person Deixis, 3 words as Second Person Deixis, and 8 words as Third Person Deixis. The use of First Person Deixis in this speech that is represented by the use of Deixis words "I, We, Us, Our, My, Me", next the word indicates Second Person Deixis that is showed by Deixis expression "You, Yourself, Your", the last is Third Person Deixis represented by use of Deixis words "She, He, They, Them, Him, Its, Their, His". Based on the explanation above, this study notes that from the speech "Never, Ever, Give Up" the use of Person Deixis that is followed by the three types of Personal Deixis occurs.

4.1.2 Place Deixis

Place Deixis concerns the encoding of spatial location relative to the location of the participants in the speech event. Probably most languages grammaticalize at least a distinction between proximal (close to speaker) and distal (sometimes close to addressee). But many make much more elaborate distinctions as well shall see.

Such distinction are commonly encoded in demonstratives (this, that) and in Deixis adverbs of place (here, there).Place or Spatial Deixis concerns with the specification of location relative to anchorage points in the speech events. The important of locational specification in general can be gauged from the fact that there seem to be basic ways of referring to objects by describing or naming them, on the one hand, and by locating them on the other. Place Deixis word indicates location in space relative to the speaker.

And I accepted this invitation a long time ago (Utterance 16).

Donald Trump said that he want to visit at Liberty University since a long time ago and he get invitation from Liberty University then accepted this invitation, when Donald Trump said that utterance he looks happy because giving smile in every word he spoken.

The phrase " This" as proximal term in the statement above is place Deixis refers to invitation to Donald Trump to speak in the graduation in Liberty University (Utterance 16).

Right here, the class of 2017, dressed in cap and gown, graduating to a totally brilliant future (Utterance 10).

Donald Trump talks about graduation and the future that Liberty University's 2017 batch can hold. When he said that full of emphasizes to make every people give attention to him and believe what did he said.

The word "Right here" as proximal term in the utterance above refers to the present, the present time and states that today's class of 2017 from Liberty University has graduated and can achieve a bright future (Utterance 10).

But here we are celebrating together on this very joyous occasion (Utterance 14).

Donald Trump expressed his pride at graduation and joined in celebrating the graduation with joy. The gesture when he Donald Trump said this utterance is full of smile and see around to audience at Liberty University.

The word "Here" as proximal term in the utterance above refers to where President Donald Trump stood delivering his speech at Liberty University (Utterance 14).

Like so many others of his generation, George, came home to a nation full of optimism and pride and began to live out the American dream (Utterance 206).

Donald Trump tells about how the figure of George. Donald Trump when said this utterance looks he also proud to George because George doing great something in his generation.

The phrase "Came" as project term and specific location in the statement above is spatial/place Deixis refers to George coming to home and pride began to live out the American dream (Utterance 206).

Furthermore, the repetition and use of Place Deixis by Donald Trump can be seen from the table provided below.

Table 4.2 Place Deixis in the speech “Never, Ever, Give Up” by Donald Trump.

No	Types of Deixis	Deixis Word	Frequency
1	Distal Term	There	10
		That	66
2	Proximal Term	Right here	3
		This	26
		Here	20
3	Project Term	On the earth	1
		Came out	1
		Into the world	1
		Go home	1
		Go back	2
		Go down	1
		Came	3
		Going down	1
Total			137

It is known from the table that in his "Never, Ever, Give Up" speech, Donald Trump used Place Deixis Distal Term, and repeated several uses, such as using Deixis Place "There" 10 times, and using Deixis Place "That" 66 times. It was also found that the use of the Deixis Place Proximal Term was used by Donald Trump in delivering his speech such as using Deixis Place "Right here" 3 times, Deixis "This" 26 times, and Deixis "Here" 20 times. in delivering the "Never, Ever, Give Up" speech at Liberty University.

From the table, it can be seen that speech "Never, Ever, Give Up" Place Deixis and three terms of Place Deixis occur. This study found 14 Deixis words that include place and followed by 2 words as Distal term, 3 words as Proximal term, and 9 words as Project terms or specific location Deixis Time. The use of Proximal Term in this speech is represented by use of Deixis words "Right here, This, Here", next the word that is indicate Project Term and also specific location

are showed by Deixis expression "On Earth, Came out, Into the world, Go home, Go back, Go down, Came, Going down and Go out", the use of Distal Term in this speech is represented by use of Deixis word "That, There ". From the explanation above, this study concludes that from speech "Never, Ever, Give Up" by Donald Trump, the use of Place Deixis that is followed by the three types of Place Deixis occurs.

4.1.3 Time Deixis

Time Deixis is commonly grammaticalized in deictic adverbs of time (Now, Then, Yesterday, This Year, etc), but above all in tense. The Deixis words Yesterday, Today, and Tomorrow pre-empt the calendarical or absolute ways of referring to the relevant days. Furthermore aspects of the interaction of calendarical reckoning and Time Deixis arise when we consider complex time adverbials like last Monday, Next Year or This Afternoon. Time Deixis words indicates the timing of an event relative to the time of speaking. From the speech "Never, Ever, Give Up" by Donald Trump. In this speech, Donald Trump was also found to use and repeat several times the use of Deixis Time to show time.

And especially this weekend lets make sure we give a really extra special thanks to the moms (Utterance 27).

Donald Trump would like to invite 2017 graduates to give their mothers a great thank you. Donald Trump said this utterance full emphasizes with smile, and then also put his hand above as sign to give thanks to the all moms from students at Liberty University.

The phrase "This weekend" as pure Deixis and Specific time in the statement above is temporal/time Deixis refers to present time, the weekend when class of 2017 was doing graduation in Liberty University (Utterance 27).

Don't forget our moms, because graduated today is your day (Line 28).

Donald Trump wanted to convey all the success that graduation day could bring to the 2017 students that their mother was instrumental to that day. When Donald Trump said that he raise index finger to remind especially to class of 2017 that the success achieved today is because of my mother.

The word "Today" as pure Deixis specific time in the utterance above refers to the day Donald Trump read the speech as well as the graduation day for the 2017 class at Liberty University (Utterance 28).

But in all of this excitement, don't forget that tomorrow is mother's day right? (Line 30).

Donald Trump also reminded that after graduation day, the next day would be Mother's Day. The gesture from Donald Trump when he daid that is giving smile to emphasizes that don't forget that tomorrow is Mother's Day.

The word "Tomorrow" as pure deixis specific time in the utterance above refers to tomorrow where in the speech tomorrow is Mother's day (Utterance 30).

Furthermore, the repetition and use of Time Deixis by Donald Trump can be seen from the table provided below.

tense. This study found 34 Deixis words that include Time and followed by 29 words as pure Deixis words and specific location, and 5 words as verb tense. Then, it can be seen that speech "Never, Ever, Give Up" Time Deixis occurs. This study found Time Deixis pure Deixis word uses "Of 2017, Every minute, A year, Since, Today, A long time ago, This weekend, Tomorrow, Now, Last year, A few years ago, 35 years ago, Next season, 2018, Four times, Every time, Two days, 10th, Right now, Started, At the beginning, Five years, In four, To every new, Once, Twice, Last week, Three and 2 half years, 98 years old" and "Going to, Will, Am Feeling, Become and Know" as the verb tense. Based on the explanation above, this study includes that from the speech "Never, Ever, Give Up" by Donald Trump, the use of Time Deixis occurs.

4.1.4 Social Deixis

Social Deixis concerns with the aspects of sentences which reflect or establish or determined by certain realities of participants or the social situation in which the speech event occurs. Social Deixis concerns about aspect of sentences which reflect or establish or are determined by certain realities of the social situation in which the speech act occurs. There are of course many aspect of language usage that depends on these relations, but these usages are only relevant to the topic of Social Deixis in so far they are grammaticalized. Obvious examples of such grammaticalizations are "polite pronouns and titles of address, but there are many other manifestations of Social Deixis. In conclusion, Social Deixis is reference to the social characteristic of, or distinctions between the participants or referents in a

speech event. In his "Never, Ever, Give Up" speech, Donald Trump was also found using Deixis Social in his speech.

That is why our elected officials put their hands on the Bible and say " So help me God" as they take the oath of office (Utterance 61).

Donald Trump explains the reasons why our elected officials include God when taking their oath of office. Donald Trump emphasize that his government also always includes God. Donald Trump's gesture when he says this is very serious and confident.

The word "God" is a Social Deixis to describe the status between humans and their God (Utterance 61).

As long as I am your President, no one is ever going to stop you from practicing your faith or from preaching what's in your heart (Utterance 128).

Donald Trump saying this seriously gives everyone confidence that what he just said is true and everyone need not worry as long as Donald Trump is President there will be no compulsion for religion to everyone.

The word "I am your President" in the utterance above refers to the social status between Donald Trump and the audience (Utterance 128).

And we are all made by the same Almighty God (Utterance 228).

Donald Trump explains that all people are created equal by God, so that there should be no difference in treatment and limits for someone to be successful. At the time of saying this Donald Trump looked at all the audience at Liberty University to give them all confidence that what he said was a truth that must be believed.

The word "Almight God" is Deixis Social which means explaining that God has more power than humans (Utterance 228).

The use of Social Deixis along with the repetitions made by Donald Trump in this speech can be seen in more detail in the table.

Table 4.4 Social Deixis in the speech “Never, Ever, Give Up” by Donald Trump.

No	Social Deixis Words	Frequency
1	Almighty God	1
2	President Jerry Falwell	2
3	CFO and Vice President	1
4	Am your president	2
5	Your	40
6	You	129
7	Your God	1
8	God	6
9	President	1
10	President of the United States	1
11	Our moms	2
12	Your family	1
13	We are brown, black or white	1
14	Vice President Mike Pence	1
Total		189

From the table, it can be seen that from the speech " Never, Ever, Give Up" found 14 Social Deixis words, it represented by the use of words “ Almighty God, President Jerry Falwell, CFO and Vice President, Am your President, You, Your, Your God, God, President, President of the United States, Our Moms, Your Family, We are brown, black or white and Vice President Mike Pence”. Based on explanation above, this study concludes that Social Deixis is mostly used in the speech "Never, Ever, Give Up".

4.1.5 Discourse Deixis

Discourse Deixis deals with the orientation in the text through the writer or the speaker, the relation of the text passages to the current utterance either as a head of time or past, forthcoming or simultaneous. It encodes reference to portions of the unfolding discourse in which the utterance is located. It means that Discourse Deixis is deictic reference to a portion of a discourse relative to the speaker's current location in the discourse, such as: above, below, last, previous, proceeding, next or following (usually used in texts) and this, that, there, next, last (usually used in utterances), addition that Discourse Deixis should be distinguished from a related notion that of anaphora. Moreover, Discourse Deixis shares with Anaphora and Cataphora, the capacity to function as a text cohesion device. In other words, Discourse Deixis is an expression used to refer to certain discourse that contains the utterance or as a signal and its relations to surrounding text. Donald Trump also used Discourse Deixis in delivering this speech and you can see some examples of utterance used to contain Discourse Deixis.

Remember this, nothing worth doing ever, ever, ever came easy. (Utterance 43)

Donald Trump give motivation to audience at Liberty University, explained that all things do require a struggle. Success will not come easily, everyone must strive for success to come, Donald Trump said this with a serious face and always calm demeanor.

The word "This" in the utterance refers to message from Donalds Trump in his speech to the audience (Utterance 43).

This could be trouble, Jerry. (Utterance 115)
